Dear Sir:

There is inclosed you herewith for execution application for the enrollment of your infant child, Mollie Julius, born November 12, 1902.

The affidavits heretofore filed with the Commission show the child was living on November 19, 1902. It is necessary, for the child to be enrolled, that she was living on March 4, 1905. You will please insert the mother's age in the place left blank for that purpose.

Each affidavit must be executed before a notary Public and the notarial seal and signature of the officer must be attached to each separate affidavit.

I have the honor to transmit herewith the record in the matter of the date of the death of Mollie Julius whose name appears upon the approved roll of new born citizens of the Choctaw Nation under the act of Congress approved March 3, 1906, at Number 479.

No selection of allotment has been made for Mollie Julius.

In view of the recommendation of the Acting Commissioner of Indian Affairs of April 13, 1907, in the Cherokee case of Mose Riley, et al. which was approved by the Secretary of the Interior on June 5, 1907, I have the honor to recommend that upon the copies of the final roll of new born citizens of the Choctaw Nation under

Dear Sir:

Receipt is hereby acknowledged of the application for enrollment as a citizen of the Choctaw Nation of Harris Clay McClure, infant son of Napoleon B. and May Bell McClure, born October 29, 1902.

Section twenty-eight thereof provides as follows:

"The names of all persons living on the date of the final ratification of this agreement entitled to be enrolled as provided in section 27 hereof shall be placed upon the rolls made by said Commission; and no child born thereafter to a citizen or freedman and no person intermarried thereafter to a citizen shall be entitled to enrollment or to participate in the distribution of the tribal property of the Choctaws and Chickasaws."

Dear Sir:

There is inclosed you herewith for execution application for the enrollment of your infant child, Arthur Bascom, born February 9, 1904.

In the application heretofore filed with the Commission, the affidavit of the physician or midwife was filled out by the father. If there was no physician or midwife in attendance at the birth of said child, it will be necessary that you secure the affidavits of two persons who have actual knowledge of the fact, that the child was born, was living on March 4, 1905, and that Alice Bascom was his mother.

In having these affidavits executed care should be exercised to see that all the names are written in full as they appear in the body of the affidavit, and in the event that either of the persons signing the affidavit are unable to write, signatures by mark must be attested by two witnesses. Each affidavit must be executed before a Notary Public and the notarial seal and signature of the officer must be attached to each separate affidavit.

Dear Sir:

There is inclosed you herewith for execution application for the enrollment of your infant child, Levy Willie, born March 6, 1903.

It appears from the application heretofore filed with the Commission that the affidavit of the physician or midwife was filled out by the father. If there was no physician or midwife in attendance at the birth of said child, it will be necessary for you to furnish the affidavits of two persons who have actual knowledge of the fact, that the child was born, was living on March 4, 1903, and that Gilliam Willie was his mother.

In having these affidavits executed care should be exercised to see that all the names are written in full as they appear in the body of the affidavit, and in the event that either of the persons signing the affidavit are unable to write, signatures by mark must be attested by two witnesses. Each affidavit must be executed before a Notary Public and the notarial seal and signature of the officer must be attached to each separate affidavit.

Now comes Mrs. Hattie M. Stidham, and upon oath states that her name is Hattie M. Stidham; that she is twenty-one years of age; that her post-office address, at this time is Spanish Fort, Texas. Affiant further states that she is the mother of Harold Stidham, a minor, who was born on the 22nd day of April, 1903; she further states that at the time she was lawfully married to the said Marion Stidham and at the time she has been his lawful wife, he was a member of the Choctaw Tribe of Indians, by blood; that she has since been divorced from the said Marion Stidham. That the said Harold Stidham their minor son, was born during wed-lock, but that the affiant and said Marion Stidham were not married until the 14th day of February, 1903. That the affiant and said Marion Stidham had been engaged for two years prior to the time of their marriage, and she had been under marriage contract with him for two years prior to the time they were married and he would call at her home to see her quite often; that by virtue of the promise of marriage the said Marion Stidham seduced her and at the time she married him she was pregnant. That prior to the birth of said child she had not had intercourse with any-other man other than the said Marion Stidham, who is the father of said child and said child is the son of Marion Stidham. That prior to their marriage the said Marion Stidham became careless and was failing to carry out his marriage contract with her, whereupon he was arrested, charged with seduction and brought to the United States Court room, at Ardmore, Indian Territory and he there married her and said charge of seduction was dismissed against him. That since the birth of said child he has recognized the child as his child and has repeatedly stated that he intended to manage and control the property of said child, which it might have by virtue of being a member of said Tribe of Indians; and affiant further states that since their separation said child has lived with this affiant, and she has supported said child, together with the help of her father.

affidavit —

In the United States of America, Southern District of the Indian
Territory, at Ardmore.

In Re The Enrollment of Harold Stidham.

Now comes H. H. Brown, and upon oath states that he is thirty-four years of age, and his post-office is Ardmore, Indian Territory; that he is a practicing attorney, and is well acquainted with Marion Stidham and his wife Hattie Stidham, father and mother of Harold Stidham. That he has been acquainted with Marion Stidham for ten years last past; that he was acquainted with him at the time he married Hattie Stidham. Affiant further states that he represented Marion Stidham in the suit which he filed to obtain a divorce from Hattie Stidham, and knows that after said suit was filed that Hattie Stidham came in and employed a lawyer and threatened to contest the right of Marion Stidham to procure a divorce, and said suit was settled by said Marion Stidham agreeing to pay said Hattie Stidham the sum of \$250.00 as alimony and as support for said Hattie Stidham and their only child Harold Stidham. At no time while the evidence was being taken or while the controversy was pending relative to said divorce did Marion Stidham in his conversations with his wife Hattie Stidham and this affiant deny the fact that he was the father of Harold Stidham, but repeatedly said it was his child and would like to have the custody of it; he seemed very anxious about said child. That in the Spring of 1905, when the law passed giving members of the Chickasaw and Choctaw Tribes the right to enroll their children which were born after the closing of the rolls and prior to March 5th, 1905, Marion Stidham talked to this affiant relative to having said child enrolled and desired this affiant to place an application before the Commissioner to the Five Civilized Tribes for the enrollment of said child. That about the first of April, 1905, this affiant received a letter from said Marion Stidham, which is hereto attached, Marked Exhibit "A"; again on ^{or about} the 26th day of April, 1905, this affiant received another letter from Marion Stidham, which is hereto attached, Marked Exhibit "B"; by reading both of said letters the Commissioner, can see that said Marion Stidham did not deny that said child was his; he was then seeking to be enabled to get the child's estate or the land which said child would be entitled to allot, if enrolled. That after

the said Marion Stidham ascertained that Hattie Stidham, the mother of said Harold Stidham, would have the preferred right, to the custody and control of said child by reason of having the custody of said child after the divorce was granted and by reason of having cared for said child, he did nothing more to have said child enrolled; this affiant then prepared a statement for said Marion Stidham to sign, so as to show that this was his child; said statement was sent to Marion Stidham, and in reply to same, this affiant receive a letter, which is hereto attached, Marked Exhibit "C", which letter does not seem to be in his hand-writing, but was written ^{in reply to the letter addressed to him} ~~at his request~~; all of which letters are made a part of this affidavit. The last mentioned letter does not deny the fact that said child is his. This affiant ^{when talking to affiant} states that at no time ~~has~~ Marion Stidham ~~ever~~ denied the fact that said Harold Stidham was his child.

My name is S. H. Butler; my age is thirty-one years; my
post-office is Ardmore, Indian Territory; I am a practicing attorney,
and know and am acquainted with both Marion Stidham and his wife Hattie
Stidham. I represented his wife, Hattie Stidham, in a divorce suit
filed by said Marion Stidham, in which case judgment was entered on
the 14th day of July, 1904. The defendant, Hattie
Stidham in said suit employed me to represent her and we prepared an
answer in said case, and after the answer was filed the plaintiff
Marion Stidham agreed to give ^{and know he paid \$125.00 of same} \$250.00, by way of alimony and support
for said Hattie Stidham and their minor son, Harold Stidham; that we
settled said case without making any record of this fact. Marion
Stidham did not deny the child being his. In conversation which I
have heard between them and from the facts I know about it, I do not
think there is any question but what said child is the child of
Marion Stidham. I am not related to either of said parties and not
interested in the enrollment of said child, Harold Stidham in any
way, what-ever.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Thomas Hunter as a citizen by blood of the Choctaw Nation.

-----oOo-----

It appears from the record herein that on April 5, 1905 there was filed with the Commission to the Five Civilized Tribes an application for the enrollment of Thomas Hunter as a citizen by blood of the Choctaw Nation.

It further appears from the record herein and the records of this office that the applicant was born March 30, 1904; that he is a son of George Hunter and Minnie Hunter (enrolled as Minnie Jones), recognized and enrolled citizens by blood of the Choctaw Nation whose names appear opposite numbers 9616 and 13997, respectively, upon the final roll of citizens by blood of the Choctaw Nation, approved by the Secretary of the Interior on February 4, 1903 and March 19, 1903, respectively; and that said applicant died August 8, 1904.

The Act of Congress approved March 3, 1905 (Public No. 212) among other things provides:

"That the Commission to the Five Civilized Tribes is authorized for sixty days after the date of the approval of this act to receive and consider applications for enrollment of children born subsequent to September twenty-fifth, nineteen hundred and two, and prior to March fourth, nineteen hundred and five, and who were living on said latter date, to citizens by blood of the Choctaw and Chickasaw tribes of Indians whose enrollment has been approved by the Secretary of the Interior prior to the date of the approval of this act; and to enroll and make allotments to such children."

It is, therefore, hereby ordered that the application for the enrollment of Thomas Hunter as a citizen by blood of the Choctaw Nation be dismissed.

Receipt is hereby acknowledged of the affidavits of Minnie Hunter and Belle Vinson to the birth of Thomas Hunter, son of George Hunter and Minnie Hunter, March 30, 1904.

You will therefore see that the Commission is without authority to enroll children born subsequent to September 25, 1902, who were not living on March 4, 1905.

Dear Sir:

Receipt is hereby acknowledged of the affidavit of Watson Hampton to the birth of Josephine Hancock, daughter of Willie and Jincey Hancock, July 12, 1903, and the same has been filed with our records as an application for the enrollment of said child.

Respectfully,

Commissioner in Charge.

Muskogee, Indian Territory, May 26, 1905.

Willis Hancock,

Redoak, Indian Territory,

Dear Sir:

Referring to the application for the enrollment of your infant child, Josephine Hancock, born July 12, 1903, it is noted in the mother's affidavit, heretofore filed in this office, that the midwife who attended upon your wife at the time of birth of the applicant is dead. In place of her affidavit there has been filed in this office the affidavits of yourself and Watson Hampton.

Before this matter can be finally determined it will be necessary for you to file in this office the affidavits of two persons, who are disinterested and not related to the applicant, who have actual knowledge of the facts that the child was born, the date of her birth; that she was living on March 4, 1905, and that Jincey Hancock is her mother. The affidavit of Watson Hampton, above referred to, does not show that the applicant was living on March 4, 1905.

In having these affidavits executed care should be exercised to see that all the names are written in full, as they appear in the body of the affidavit, and in the event that either of the persons signing the affidavits are unable to write, signatures by mark must be attested by two witnesses. Each affidavit must be

executed before a Notary Public and the notarial seal and signature of the officer must be attached to each separate affidavit.

Respectfully,

Chairman.

Muskogee, Indian Territory, June 22, 1905.

W. W. Ish,

Redoak, Indian Territory.

Dear Sir:

John R. Brown,

Midway, Indian Territory,

Dear Sir:

There is inclosed you herewith for execution application for the enrollment of your infant child, John R. Brown Jr., born October 16, 1902.

The affidavits heretofore filed with the Commission show the child was living on January 12, 1905. It is necessary, for the child to be enrolled, that he was living on March 4, 1905.

In having these affidavits executed care should be exercised to see that all the names are written in full as they appear in the body of the affidavit, and in the event that either of the persons signing the affidavit are unable to write, signatures by mark must be attested by two witnesses. Each affidavit must be executed before a Notary Public and the notarial seal and signature of the officer must be attached to each separate affidavit.

Respectfully,

Dear Sir:

Receipt is hereby acknowledged of your letter of April 17, transmitting the affidavits of Henrietta Hodges Brown and H. G. Goben to the birth of John R. Brown, Jr., son of John R. and Henrietta Brown (Hodges), October 15, 1902, and the same have been filed with our records in the matter of the enrollment of said child.

Replying to that portion of your letter in which you ask if your child born March 21, 1905, may be enrolled, you are advised that the Act of Congress approved March 3, 1905, authorizes the Commission for a period of sixty days from that date to receive applications for the enrollment of children born to enrolled citizens by blood of the Choctaw and Chickasaw Nations, subsequent to September 25, 1902 and prior to March 4, 1905 and living on the latter date.

You will therefore see that the Commission is without authority to enroll children born subsequent to March 4, 1905.

Dear Sir:

There have been received at this office affidavits of Susie Owens and J. O. Grubbs to the birth of Clarence Owens, son of Ed and Susie Owens, April 26, 1903. If you will state under what name your wife, Susie Owens, was enrolled, the names of her parents, and such other information as will enable us to identify her as an applicant for enrollment in the Choctaw Nation, the matter of the affidavits above referred to will receive further consideration.

Muskogee, Indian Territory, May 26, 1905.

Josephus Hayes,

Hewitt, Indian Territory,

Dear Sir:

There is enclosed you herewith for execution application for the enrollment of your infant child, Perlle Luella Gertrude Hayes, born September 16, 1904.

The application filed in this office on the 6th instant, contains the affidavit of the mother, Nancy L. Hayes, to the birth of the applicant, and J. C. Hayes and W. A. McCall to the fact that the applicant was living on March 4, 1905. The affidavit of the attending physician was omitted.

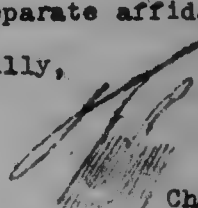

From the affidavits of January 28, 1905, it appears that Dr. John Tidmore was in attendance upon your wife at the time of birth of the applicant. If this is correct you will please file his affidavit, using the enclosed blank, in this office, but if you are unable to secure his affidavit it will be necessary that you secure the affidavits of two persons, who are disinterested and not related to the applicant, who have actual knowledge of the facts that the child was born, the date of her birth; that she was living on March 4, 1905, and that Nancy L. Hayes is her mother.

In having these affidavits executed care should be exer-

cised to see that all the names are written in full, as they appear in the body of the affidavit, and in the event that either of the persons signing the affidavits are unable to write, signatures by mark must be attested by two witnesses. Josephus Hayes,

Hewitt, Indian Territory,

Dear Sir:

There is inclosed you herewith for execution application for the enrollment of your infant child, Perlle Luella Gertrude Hayes, born September 16, 1904.

The affidavits heretofore filed with the Commission show the child was living on January 28, 1908. It is necessary, for the child to be enrolled, that she was living on March 4, 1908.

The affidavits also show the applicant claims through you. It is, therefore, necessary that the license and certificate of your marriage to the applicant's mother, Nancy L. Hayes, be forwarded with the return of the inclosed application.

In having these affidavits executed care should be exercised to see that all the names are written in full as they appear in the body of the affidavit, and in the event that either of the persons signing the affidavit are unable to write, signatures by mark must be attested by two witnesses. Dear Madam:

There is enclosed herewith for execution two applications for the enrollment of your infant children, Abner James, born November 17, 1902, and Arabel James, born June 23, 1903.

The affidavits heretofore filed with the Commission show that Abner James was living April 20, 1904, and Arabel James on April 30, 1904. It is necessary, for these children to be enrolled, that they were living on March 4, 1905.

In one of the above mentioned affidavits you state your age is "about twenty-two" while in the other you say it is twenty-five. You will please fill out the blank space left in the enclosed affidavits for that purpose, with your correct age.

It is also noted that one of these affidavits was signed by mark while it appears from the other that you are able to write. If you can do so you will please sign the enclosed affidavits in your own hand. In the event that either of the persons signing the affidavit are unable to write, signatures by mark must be attested by two witnesses.

In having these affidavits executed care should be exercised to see that all the names are written in full as they appear in the

Dear Sir:

In the matter of the application for the enrollment of your child Magdalene Ludlow it appears from the affidavit of Josephene Ludlow executed before W. H. You are requested to explain why it is stated in one affidavit that no one was present at the birth of this child while subsequently the affidavit of the midwife was forwarded.

Henry Lee Lynn,

Dear Sir:

There is inclosed you herewith for execution application for the enrollment of your infant child, Adley Vy Lynn, born June 19, 1904.

In the affidavit of the attending physician heretofore filed with the Commission the date of the birth of said child is given as June 19, 1906, which is evidently a mistake. It is, therefore, necessary that application be re-executed.

In having these affidavits executed care should be exercised to see that all the names are written in full as they appear in the body of the affidavit, and in the event that either of the persons signing the affidavit are unable to write, signatures by mark must be attested by two witnesses. Each affidavit must be executed before a Notary Public and the notarial seal and signature of the officer must be attached to each separate affidavit.

Respectfully,

SIGNED *T. B. Needles*.

---oOo---

It appears from the record herein that on April 25, 1905 there was filed with the Commission application for the enrollment of Edward Willis as a citizen by blood of the Choctaw Nation.

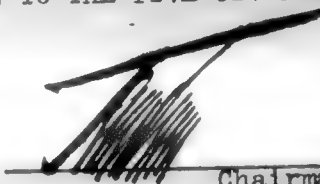

It further appears from the record herein and the records of the Commission that the applicant was born February 23, 1903; that he is a son of Willie Willis, a recognized and enrolled citizen by blood of the Choctaw Nation whose name appears opposite number 1588 upon the final roll of citizens by blood of the Choctaw Nation, approved by the Secretary of the Interior December 12, 1902, and Gracie Willis, a recognized and enrolled citizen by intermarriage of said nation; and that said applicant died August 21, 1903.

The Act of Congress approved March 3, 1905 (Public No. 212) among other things provides:

"That the Commission to the Five Civilized Tribes is authorized for sixty days after the date of the approval of this act to receive and consider applications for enrollment of children born subsequent to September twenty-fifth, nineteen hundred and two, and prior to March fourth, nineteen hundred and five, and who were living on said latter date, to citizens by blood of the Choctaw and Chickasaw tribes of Indians whose enrollment has been approved by the Secretary of the Interior prior to the date of the approval of this act; and to enroll and make allotments to such children."

It is, therefore, hereby ordered that the application for the enrollment of Edward Willis as a citizen by blood of the Choctaw Nation be dismissed in accordance with the order of the Commission of March 31, 1905.

In having these affidavits executed care should be exercised to see that all the names are written in full as they appear in the body of the affidavit, and in the event that either of the persons signing the affidavit are unable to write, signatures by mark must be attested by two witnesses. Each affidavit must be executed before a Notary Public and the notarial seal and signature of the officer must be attached to each separate affidavit.

Wesley Gibson,

Lehigh, Indian Territory,

Dear Sir:

Referring to the application heretofore forwarded to the Commission for the enrollment of your infant child, William Gibson, you state therein that there was no one in attendance at the birth of said child excepting yourself. It will, therefore, be necessary that you secure the affidavits of two persons who have actual knowledge of the facts, that the child was born, the date of his birth, that he was living on March 4, 1905, and that Jennie Gibson is his mother.

Respectfully,

ly,

Dear Madam:

There is enclosed you herewith for execution application for the enrollment of your infant child, Henry Jackson Airington, born November 6, 1903.

The affidavits heretofore filed with the Commission show the child was living January 16, 1905. It is necessary, for the child to be enrolled, that he was living on March 4, 1905.

It is also noted from the above mentioned affidavits that there was neither a physician or midwife in attendance on you at the time of the birth of the applicant. If this is the case it will be necessary that you secure the affidavits of two persons who have actual knowledge that the child was born, was living on the 4th day of March 1905, and that you are his mother.

In having these affidavits executed care should be exercised to see that all the names are written in full as they appear in the body of the affidavit, and in the event that either of the persons signing the affidavit are unable to write, signatures by mark must be attested by two witnesses. Each affidavit must be executed before a Notary Public and the notarial seal and signature of the officer must

be attached to each separate affidavit.

Arbin Johnson,

McCurtain, Indian Territory,

Dear Sir:

Referring to the application for the enrollment of your infant child, Annie Johnson, born December 22, 1904; it is noted from your testimony, taken on the 3rd ultimo, that there was no one present, excepting yourself, at the time of birth of the applicant.

If this is correct the evidence of two persons, who have actual knowledge of the facts that the child was born, the date of her birth; that she was living on March 4, 1905, and that Lula Johnson is her mother, is required. The testimony of Nelson Morris to these facts has been filed with the Commission, but before this matter can be finally determined it will be necessary that you secure the affidavit of another person to the same facts.

Respectfully,

Chairman.

Orbin Johnson,

McCurtain, Indian Territory.

Dear Sir:

Receipt is hereby acknowledged of your letter of June 6, transmitting the affidavits of Lula Johnson, Floyd Nevins and Elizabeth Baker to the birth of the infant child of Orbin and Lula Johnson.

The affidavits of Floyd Nevins and Elizabeth Baker, which were filed in place of the affidavit of the attending physician or midwife, failed to give the name of the child or the date of her birth.

Before this application can be disposed of, the affidavits of two persons who know that the child was born, the date of her birth, that she was living on March 4, 1905, and that Lula Johnson is her mother, is necessary. As the testimony of Nelson Johnson to these facts has already been filed with the Commission, it will be necessary for you to secure the affidavit of another person in support of the same facts.

This matter should receive your immediate attention as no further action can be taken until this affidavit is furnished the Commission.

Respectfully,

Dear Sir:

In the matter of the application for the enrollment of your minor daughter Annie Johnson there are on file with this office two affidavits of your wife as to the birth of said child, from one of which it appears that said child was born on December 4, 1904 and from the other that she was born December 22, 1904.

You are requested to immediately inform this office as to which of the above dates, if either of them, is the correct date of the birth of said child.

You are also advised that it will be necessary for you to furnish this office the affidavit of an additional disinterested person as to the birth of said child. There is at present on file the testimony of only one disinterested witness, Nelson Morris, as to the birth of said child. Affidavits of Floyd Nevins and Elizabeth Baker which are now on file fail to set forth said child's name or of her birth.

Mike Jones,

McCurtain, Indian Territory,

Dear Sir:

Referring to your letter of the 12th instant, in which you inquire about the application for the enrollment of your infant child, Willie Jones, born January 8, 1903, there is enclosed herewith an application for the enrollment of this child.

It is noted from the testimony taken in this case on the 5th ultimo, that Betsey McCann, the midwife that attended upon your wife at the time of birth of the applicant, was sick and unable to be present on that date and give her testimony. Before this matter can be finally determined it will be necessary for you to secure her affidavit, for which the above mentioned application is enclosed.

In the event that you are unable to secure her affidavit the affidavits of two disinterested parties, who have actual knowledge of the facts that the child was born, the date of his birth; that he was living on March 4, 1905, and that Emma Jones is his mother, are required. The testimony of Joe McCann in support of these facts is on file in this office. It will, therefore, be necessary that you secure the affidavit of another person to the same facts.

In having these affidavits executed care should be exer-

Mike Jones 2.

cised to see that all the names are written in full, as they appear in the body of the affidavit, and in the event that either of the persons signing the affidavits are unable to write, signatures by mark must be attested by two witnesses. Each affidavit must be executed before a Notary Public and the notarial seal and signature of the officer must be attached to each separate affidavit.

Respectfully,

Chairman.

Dear Sir:

Replying to your letter of August 8th you are advised that on August 22, 1905, the Secretary of the Interior approved the enrollment of Willie Jones as a citizen by blood of the Choctaw Nation and the name of said child appears upon the final roll of the new-born citizens by blood of the Choctaw Nation opposite number 1335.

Dear Sir:

It is noted from the application for the enrollment of your infant child, Sophia Homer, born November 15, 1904, heretofore filed in this office, that your wife claims to be a Choctaw by blood.

If this is correct you will please state when, where and under what name she was listed for enrollment, the names of her parents and any other person who applied for enrollment at the same time, and if she has selected an allotment, give her roll number as the same appears on her allotment certificate.

Respectfully,

Bennington, I.T. July 7-1905.
